WEEK TWO: BAROQUE ERA WEEK

I'M WORTH 5 POINTS!

Scarlatti was a composer during the Baroque period of music. Lots of instruments people used back then were the same as instruments we use now, but some were different! See if you can match these baroque instruments to their pictures!

Viola da gamba

Harpsichord

Lute

Serpent

Pipe Organ

EXTRA CREDIT! (WORTH 5 POINTS)

Make your own instrument and serenade the front desk staff and teacher! (For example: rice in an Easter egg, tinfoil pans and a pencil, rubberbands around a box- be creative!) Feel free to share a picture of your homemade musical instrument on our Facebook page using the hashtag #MMAHouseCup2021 (there may be extra points rewarded if we see it... *hint, hint*)
